

### Utah Legal Gender and/or Name Change

Instructions and forms can be obtained on-line

at: <http://www.utcourts.gov/resources/forms/namechange/> or at any county courthouse.

#### **Resources needed:**

**forms from website above**

**recommended to submit doctors and mental health**

**professionals letters to judge**

**\$360 but there is a fee waiver form if needed and eligible**

Note: There are currently NO forms or process to legally change one's gender but there is also NO legislation to prevent it. The cost is \$360 for each change so if a name change is completed and then a gender change afterwards, it will cost \$360 each time so it is certainly more advantageous to do them together. All of the forms for the legal name change will need to be modified to include gender.

### Utah Birth Certificate

Visit the Utah Department of Vital records. Advise the clerk that you would like to amend the name that appears on your birth certificate so that it reflects your new name. Present the certified copy of your gender and/or name change decree along with the amendment fee of \$25. You will be provided with a certified copy of your birth certificate bearing your new gender and/or name.
